Support the research that is saving lives like mine. *Text ERIN to 90999* to donate \$5.00 to the T.J. Martell Foundation for Leukemia, Cancer and AIDS Research. The Foundation started in 1975 when music industry executive Tony Martell promised his son, T.J., who later died of leukemia, that he would raise \$1 million to fight the disease. In 34 years, the Foundation has provided over \$230 million to support innovative research for better treatments and cures for these diseases.
